

Basilica of Our Lady of Licheń

Description

Even though the Basilica of Our Lady of Licheń was built between 1994 and 2004, the story of this majestic church dates back to 1813. With its impressive 141,5 meters high tower, 98 meters high dome, 120 meters long and 77 meters wide nave, it placed itself as a top contestant in a lot of categories: tallest and largest church as well as tallest dome in the world.
